Dear Sir:

INTRODUCTORY COMMENTS

In response to the Notice of Non-Compliant Amendment of January 12, 2005, Applicant respectfully submits a corrected claim set, wherein said corrected claim set is substantially similar to that introduced in the Office Action response of October 15, 2004. Applicant submits that the presently submitted claim set is in the appropriate format as required under 37 CFR 1.121. Applicant further submits that no amendments to the claims have been made beyond the formatting corrections noted by the Examiner in the current Notice of Non-Compliant Amendment. In view of this, Applicant believes that the presently submitted claim set is now in compliance and in condition for further review.
